Sandpoint, ID 83864

**Subject: Will Serve Confirmation: RPP00000107401A (476516 US Hwy 95) & RPP00000107502A (476422 US Hwy 95); Section 10, Township 57N, Range 2W, Boise Meridian, City of Sandpoint, Bonner County, Idaho.**

The City of Sandpoint has the capacity and ability to provide water service to the proposed development within the City of Sandpoint water service area. A 12" public water main is located along the west side of US Highway 95, just east of the subject property. A water main extension is not anticipated to be required based on the information provided. Upon review/approval of proposed water service size and meter locations, payment of applicable fees, evidence of a building permit, and completion of approved water infrastructure improvements, service will be provided. Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Dan Tadic".
